

## **Assistant Professor of Geography**

### **Background**

HARCO is a four year public institution of higher learning located in Harbel, Margibi County. It is accredited by the Commission on Higher Education, Republic of Liberia. The College offers bachelors in occupational safety & health, mechanical/renewable energy engineering, information technology, climate change studies, applied agriculture, and Liberian Studies.

HARCO is student-centered, comprehensive, and innovative college, committed to teaching excellence that advances the life-long educational development of its students while strengthening the economic, social, and cultural life of its diverse community. The College promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

We strive to create a vibrant campus community that supports a diverse student body, faculty, and staff. As an essential part of our mission and goals, pluralism is promoted in all aspects of college life. By enriching student life through leadership opportunities, personal learning and cultural experiences, we are committed to building a pluralistic and diverse campus community that fosters creativity, innovation, and student success.

The College invites applications for a tenure-track position as Assistant Professor of Geography specializing in geography education and climate change studies, applied agriculture, and social science education. This position will teach a social science teaching methods course for secondary social science education students, and contribute to the generation education core.

Candidates will demonstrate excellence in teaching and be able to build a successful research agenda that includes external funding. The successful candidate is expected to take an active role in advising environmental health & occupational safety & health, Liberian Studies, agriculture, mechanical/renewable energy engineering, information technology majors and developing co-curricular activities for students.

### **Desirable Qualifications:**

Preference will be given to candidates with a well-developed plan for creating co-curricular activities for environmental health & occupational safety & health, Liberian Studies students. Faculty candidates must have an appreciation for teaching and learning in developing nation serving institution and must be capable of developing a sponsored research program in their field that integrates their research activities into teaching and learning.

### **Required Qualifications:**

Ph.D. degree required at time of appointment. Ph.D. in Geography preferred; other closely-related disciplines will be considered.

**Background Check: Required**

If you do not meet the qualification mentioned above, please do not apply. Review of applications will begin as soon as possible, and will continue until July 05, 2018 at 5:00pm. Applicants must submit their documents in a sealed envelope to Harbel College Office located on Harbel Multilateral High School campus in Harbel, Margibi County. Application can be sent electronically to [jkyne@hc.edu.lr](mailto:jkyne@hc.edu.lr) or [ldavis@hc.edu.lr](mailto:ldavis@hc.edu.lr)
