

## Vacancy Announcement

<b>POSITION: Excavator Operator (6)</b>	<b>LOCATION: Yekepa/Tokadeh – Nimba County</b>
---	--

### PRIMARY FUNCTION OF JOB

Operate Excavator to perform activities such as excavations, loading, backfilling, trenching, ditching, slope work, erosion control, grubbing, stumping, clearing, looming, fine grading and final clean up.

### MAJOR DUTIES OF JOB HOLDER:

#### Main Responsibilities:

- Operate the excavator equipment in a safe and appropriate manner.
- Perform daily maintenance and safety checks of equipment
- Conduct pre-start checks on equipment, and clean, lubricate and refill equipment as necessary.
- Ensure trench is excavated to the proper depth/grade.
- Follow directions of ground crew regarding craning, gravel placement and grading.
- Cut grade with minimal time spent on excavating to ensure production is on schedule.
- Conduct trench work, which meets OH&S requirements.
- Operate Excavator on Mine and public roadways, maintaining proper awareness of one's surroundings.
- Ensure a sound understanding of the issues involving ground disturbance.
- Perform routine cleaning and maintenance to ensure smooth operation of the Excavator
- Train new employees in the safe and efficient operation of the Excavator
- Must ensure a solid understanding of, and comply with the principles of the company's Code of Conduct.
- Observe hand signals, grade stakes or other markings when operating machines so that work can be performed to specifications.
- Become familiar with machine capabilities, limitations and with efficient and safe digging procedures in a given application.
- Proficient in excavators of all sizes

### Education Requirements for this position (Formal qualifications)

#### Essentials

- *High School education*
- Must understand/have some basic Excavator Maintenance tasks such as oil change, fuel an radiator fluid or performing minor repairs
- Knowledge of Mining practices
